Khwaja Fareed University of Engineering & Information Technology Abu Dhabi Road, Rahim Yar Khan

Vice Chancellor's Message

I am very proud of what we are achieving at KFUEIT. We have invested in excellent facilities, hired outstanding academicians, and built enduring relationships with several national & international elite higher education institutions. Our faculty members are adept in their respective disciplines and are committed to excellence in teaching and innovative research. KFUEIT aspires for excellence in engineering, sciences and information technology. It is an endeavor to create a leading research university that offers quality education, research, and entrepreneurial skills to students. I believe in internationalization. Our slogan is, "Think globally and act locally." Even though we are a new university, we are ranked 9th in Pakistan in the International GreenMetric ranking. We also have a deeply embedded culture of continuous improvement for innovation and have always worked hard at getting excellence in every subject. I always encourage academic-industry linkages and also promote community services. In alliance with this vision, KFUEITaims to produce outstanding graduates with skills to solve industry problems and support the community. I am delighted to say that we are very committed to the idea of sustainability and optimization. We are concerned with building the future of the nation through education and research. At KFUEIT, we are passionate about nurturing the untapped talents of students and revealing their full potential. Universities are the indicator of socioeconomic development in any region. It is an honor for me to lead KFUFIT.

Conferences/Trainings/ Workshops

7th International Conference on Energy Science & Chemical Engineering

7th International Conference on Energy Science & Chemical Engineering was held during 21-23 May, 2021 in Dali, Kunming P. R. China via online mode. Vice Chancellor, KFUEIT was the Co-Chair of the conference and delivered a keynote speech titled "Sustainable Conversion of Municipal Waste to Energy-A Punjab Pakistan Perspective" in the conference. The keynote speech focussed on the integrated liquid and solid municipal waste management and waste to energy prospects. The conference organizers and participants appreciated for the informative lecture.

International Virtual Conference on World Interfaith harmony

On the occasion of UN observance of World Inter faith harmony week starting from 1st February, KFUEIT co-hosted an international virtual conference with the partnership of The Universal Peace Federation International; Coalition of Faith Based Organizations; International Association of Parliamentarians for Peace; LIOS-SOIL Organization.

The daylong conference had two sessions. First session covered the discussion on the topic of "Interfaith Cooperation for Securing Peace in the 21st Century".

9th Conference on "Semiconductor Materials and Nano-Devices" (ICSMAND)

The advancement in nanotechnology and semiconductor material was meeting the needs of the modern era; organization of international conferences on nanotechnology and latest electrical applications to educate students and enhance technical expertise of faculty has become the identification mark of Khawaja Fareed University of Engineering and Information Technology. Nanotechnology and semiconductors developed on modern lines have revolutionized the world in the field of nanotechnology. In Pakistan, nanotechnology has also assisted the authorities to protect environment and climate change besides developing pathways for appropriate usage of energy consumption. It is need of the hour that our educational institutions should be synchronized in accordance with the needs and modern research of the developed countries. By bringing innovations in our research, we cannot only meet our needs of technology but we can enhance our export reservoirs.

Eminent national and international speakers and professors of the field expressed these views while addressing the 9th International Conference on "Semiconductor Materials and Nano-devices (ICSMAND) held at KFUET on Friday. Chairman Punjab Higher Education Commission Prof Dr Fazal Ahmad Khalid, VC KFUEIT Prof Dr Muhammad Suleman Tahir VC Skills University Islamabad Prof Mukhtar Ahmad, VC Mir Chakar-e-Azam University Prof Mehmood Saleem, Prof Bin Zou from China, Prof Muhammad Ali Hassan and Prof Husaina Tabbasum from USA, Registrar KFUEIT Prof Dr Asghar Hashmi, Dr Sadia Muniza Fraz, NED University of Engineering and Technology Karachi, Dr Muhammad Bilal Tahir, Dr Muhammad Faisal Iqbal, China, Dr Muhammad Ali Johar, University of Illinois USA, Dr Khawaja Imtiazullah from Hazara University, Dr Imran Asghar, Alto University Finland, Dr Tariq Sajjad from London University of South Bank UK, Dr Mikhael Syajarvi, Sweden, Dr Rizwan Raza, COMSATS Lahore, Muhammad Shahid Rafique UET Lahore and others attended the first session of the Conference.

Chairman PHEC Prof Afzal Ahmad Khalid said that such conferences are needed for the hour to meet challenges of the new era. He said although KFUEIT is coming up with the expectations of the PHEC but such organizations of such healthy conferences are necessary to educate students and faculty members and such measures would meet up the needs of the modern era. Prof Afzal said that we shall initiate new proposals and take new steps. According to him, the Government is taking special initiatives for the development and progress of the south Punjab especially the government's keen interest for establishment of educational institutions and their growth is top priority. He said the steps for energy storage and appropriate usage of energy are also mandatory to save energy resources. He congratulated Prof Suleman Tahir for organizing such an innovative international conference.

خواجه فرید یونیورسی آف انجینئرنگ ایند انفار میشن رحیم یار خان میں پہلی انٹر نیشل کانفرنس

ر حیم یار خان(اُردو پوائٹ اخبار تازہ ترین - این این آئی۔ 15 مارچ2021ء) خواجہ فرید یونیور ٹی آف انجیئٹرنگ اینڈ انفار میشن رحیم یار خان میں پہلی انٹر نیشن کا نفرنس سے خطاب کرتے ہوئے شرکا نے کہا کہ خواجہ غلام فرید کی شاعری میں صوفیانہ درس ملتا ہے، ظلم کے سامنے مزاحمت کرنا اور سچائی کا ساتھ دینا شامل ہے، شرکا نے مزید کہا خواجہ فرید نے ہمیشہ اسلامی تعلیمات کو اپنے اخلاص اور عمل سے لوگوں میں سہل انداز

شر کاء میں مجابد جنوئی، کلیان علی کلیان، ڈاکٹر اختر حمین، ِ ڈاکٹر رخسانہ بی بی (آکسفورڈ)، محمد مرتضی نور، پروفیسرِ ڈاکٹر قاسم بوگیو، پروفیسرِ ڈاکٹر نجیب الدین جمال، پروفیسر وفا(ایران)، سجادہ نشین خواجہ ِ معین الدین محبوب کور بچہ، پروفیس سلیم مظہر، پروفیسر نجیب جبار اور دیگر مقررین شامل نے خواجہ فرید یونیورسٹی آف انجیسرنگ اینڈ طیکنالوجی میں پہلی بین الاقوامی کانفرنس: بیادِ حضرتَ خواجہ غلام فرید' سے خطاب کرتے ہوئے

وائس چانسلر پروفیسر ڈاکٹر سلیمان طاہر نے کہا کہ وہ خواجہ فرید سکالرشپ کے اجرا کا اعلان کرتے ہیں، ساتھ ہی اکیڈ مک کونسل سے منظوری کے بعد "فریدیات" کا ایک باب بھی شامل کریں گے، انہوں نے کہا ہمیں الیے صوفیا کرام کی تعلیمات کو پروموٹ کرنا چاہئے۔برطانیہ سے ڈاکٹر رخسانہ بی بی نے کہا کہ خواجہ قرید یونیورسٹی کو یہ اعزازِ حاصل ہے کہ کرونا صور تحال کے باوجود رئیسِ جامعیہ پروفیسر سلیمان طاہر نے ایس او پیز کو فالو کرتے ہوئے زبردست کا نفرنس کا انعقاد تیمینی بنایا ہے، صوفیا نے بر صغیر کی کایا پلٹ دی، اردو زبان کی ترویج صوفیا کرام کی میر ہون منت ہے، جبکہ دنیا بھر میں بین الاقوامی سطح سکالرز نے اردو صوفیانہ شاعری پر تصانیف مرتب کی ہیں، کیونکہ عالمی سطح کر تصوف کو خاص اہمیت حاصل ہے، پروفیشر نجیب الدین جبار نے کہا کہ مجاز میں اجسام کلیل ہوجاتے ہیں، صوفیآ کی طویل فہرست ہے جنہوں نے تصوف کو زندہ رکھا، خواجہ فرید گی شاعر کی تصوف کے اجسام کا ایک منبع ہے، خواجہ فرید کی شاعری مین اگمریزول کے خلاف نفرت اور مزمتی انداز ملتا ہے، اس موقع پر پرو وائس چانسلر پنجاب یونیورسٹی نسلیم مظہر نے کہا کہ ہمیں خواجہ صاحب اور ڈاکٹر اقبال کی شاعری میں اشتر اکت ملتی ہے، انہوں نے مزید کہا کہ علامہ اقبال اور خواجہ صاحبَ نے حافظ شیرازی اور علامہ جلال الدین رومی کی شاعری کا بھر پور مطالعہ کیا، اس وجہ سے خواجہ فرید کی شاعر می

اس موقع پر مجاہد جتوئی نے کہا اس کانفرنس کا انعقاد صوفی اِزم کی جیتی جاگتی تصویر ہے، خواجہ فرید نے ہمیشہ حق سے کا ساتھ دیا، ظلم اور برائی کو اپنے اخلاق سے زیر کیا، کلیان عنگھ نے کہا کہ صوفیانہ ادب وقت کی ضرورت بن گیا ہے، خواجہ صاحب کی میش تر کا فیاں تلنگ راگ میں کہی گئی ہیں جس کو سکھ مذہب نے اپنے وجود کا حصہ بنایا ہوا ہے، صوفی کے اقوال و اعمال میں کہیں مگراو نہیں ہوتا، خواجہ صاحب کے مریدین میں مسلم، ہندو اور سکھ شامل تھے، اس کئے اگر دیکھا جائے تو سکھ راج میں وزیراعظم، وزیر قانون اور قاضی صاحبان مسلم، ہندو اور سکھ شامل تھے، ویے جی صوفی کے در پر دھرم سے نہیں بلکہ اپنے عمل سے متایثر کرتا ہے، یہی خواجہ صاحٰب کی شخصیت کا خاصہ تھا، جامع خواجہ فرید کے پردھان پروفیسر ڈاکٹر سلیمان طاہر اس خوبصورت کانفرنس کے انعقاد پر دلی مبار کباد کے مستحق ہیں، انہوں نے خواجہ فرید کی بات اسی دھرتی سے ہی شروع

Workshop on Endnote, Zotero and Mendeley

Vice Chancellor KFUEIT Prof Dr Suleman Tahir says equipping students with modern academic learning & enhancing their research skills through hands on practice on EndNote, Zotero, Mendeley is need of the hour. He wad addressing a concluding ceremony of two daylong training workshop on Endnote, Zotero and Mendeley.

Workshop on Bioassays for lead Bioactives

One day workshop on Bioassays for lead Bioactives" was organized by the Department of Chemistry KFUEIT. Dr. Muhamad Shahid was the guest speaker who is currently working as Chairperson Department of Biochemistry at the University of Agriculture, Faisalabad. After the lecture, a hands on training was imparted to the participants in chemistry research labs. According to the vision of Vice Chancellor Prof. Dr. Muhammad Suleman Tahir, the workshop was a part of a series of workshops to aware the university young scientists and researchers with modern trends in the specific research fields and caters to bridge the gap among the young scientists and mature intellectuals and provide chances to develop new professional engagements for future collaborative ventures.

2 Days Workshop for Affiliated Colleges

The directorate of affiliations arranged a two days training workshop from 28th January 2021 under the faculty development program. The workshop was arranged for affiliated colleges as well as for teaching assistants of all departments in University. On second day 29th January 2021 Prof. Dr. Aslam Adeeb, Mr. Bilal Ahmad IT Specialist and Mr. Sajjad Aslam LMS Administrator participated as a master trainer.

Hands-on Training/Workshop on modern simulation tools (COMSOL) and Citation management using Mendeley

Department of Physics organized a "Hands-on Training/Workshop on modern simulation tools (COMSOL) and Citation management using Mendeley" on in Electrical Auditorium, KFUEIT.

In this regard, training of the research community at the department on a modern simulation tool like COMSOL can produce fruitful results. Some of the main features of this advanced simulation software are mentioned below:

- 1. COMSOL provides an opportunity to model any physical phenomena and to visualize the results of the proposed geometry and the associated.
- 2. The software finds many applications in the field of Physics, engineering, and life sciences.

A free version of COMSOL software and its license key etc are available for limited participants for hands-on training.

KFUEIT Delegation visited Sukkur IBA University

A delegation of Khwaja Fareed University of Engineering and Information Technology paid a visit to Sukkur IBA University on 15th February 2021. Dean of all faculties Prof. Dr. Asghar Hashmi led the delegation. The delegation was welcomed at Sukkur IBA University by Director Students Financial Aid & University Advancement Mr. Qazi Abdul Wahid, Director Quality Enhancement Cell Prof. Dr. Sher Muhammad Daudpota, Director Office of Research Innovation & Commercialization (ORIC) Prof. Dr. Pervaiz Memon. They briefed about initiatives taken by Sukkur IBA University in academics, QEC, ORIC, lab & infrastructure development.

Workshop on CASTEP

Department of Physics arranged a workshop on CASTEP. The resource persons Dr. Syed Sajid Ali Gillani GCU Lahore and Dr. Muhammad Rizwan University of the Punjab. The head of the department Dr. Bilal Tahir welcomed the resource persons. Students and faculty members of the Physics department participated in the workshop. The resource persons appreciated the efforts of the organizers. In the end, the dean of all faculties Prof. Dr. Asghar Hashmi thanked the resource persons and the organizers.

Archery Training WorkshopUpon directions of Vice Chancellor KFUEIT, an Archery Training Workshop was organized by Directorate of Sports at Civil Auditorium. Prof. Dr. Asghar Hashmi shed light on the historical perspective, techniques and futureofarchery in Pakistan. The University's students especially the female students shown keen interest in learning archery skills and participate in national and international competition of archery.

۔ ڈاکٹر اصغر ہاشی کا کہنا تھا کہ سٹاف کی استعداد کار بڑھانے کے لئے ٹریننگ سیشنز انتہائی اہم ہوتے ہیں۔ انہوں نے اس ٹریننگ ورکشاپ کے انعقاد کو خوش آئند قرار دیتے ہوئے مسطمین کی کوششوں کو سراہا۔

Workshop on Financial Management & PPRA Rules

گذشتہ روز خواجہ فرید یونیورٹی آف انجینئرنگ اینڈ انفار میشن ٹیکنالوجی میں رجسٹرار آفس کی طرف سے تمام سٹاف ممبرز کی ٹریننگ ورکشاپ کا اہتمام کیا گیا جس میں لیفٹیننٹ کرنل (ریٹائرڈ) عابد دسٹگیر اور ریزیڈنٹ آؤیٹر عارف علی نے بطور ماسٹر ٹرینر شرکت کی۔ ٹریننگ ورکشاپ دو سیشنز پر مشتمل تھی جس میں پہلا سیشن ورک اینڈ قیملی لائف بیلنس اور سٹریس مینجبنٹ پر تھا جس میں لیفٹیننٹ کرنل (ر) عابد دسٹگیر کا کہنا تھا کہ کام کے ساتھ قیملی لائف پر توجہ دینا بہت ضروری ہوتا ہے۔ کام میں ایمانداری، درسٹگی اور ایٹی شنسی کو اپنا شعار بنانا چاہیے۔ ہر قیم ممبر کو روزانہ کی بنیاد پر ملنے والے کام کو بیٹا دینا چاہیے ورنہ کام آکھا ہونے کا بیچید ڈیپریشن اور سٹریس کی صورت ظاہر ہو گا۔ ورکشاپ کا دوسرا سیشن فنانشل مینجبنٹ اینڈ بیپرا رولز سے متعلق تھا جس میں ریزیڈنٹ آڈیٹر عارف علی نے فنانشل مینجبنٹ سے متعلق بات کی اور پنجاب پروکیور منٹ ۔ ریگولیٹر کی افوارٹ کے حوالے سے سوالات کے جوابات بھی دیے۔

International E-learning course on "Integrated Management System (IMS) ISO (9001:2015, ISO 14001:2015 & ISO 45001:2018) Awareness & Internal Auditing

Department of Food Science and Technology, KFUEIT organized 02 days International E-learning course on "Integrated Management System (IMS) ISO (9001:2015, ISO 14001:2015 & ISO 45001:2018) Awareness & Internal Auditing" in collaboration with "The Gulf Hotel Convention & Spa, The Kingdom of Bahrain" on June 04, 05, 2021. The Trainer of this event was Mr. Muhmmad Nadeem, Cluster Hygiene Manager, Gulf Hotel Bahrain Convention, and Spa (The Kingdom of Bahrain).

Training Workshop on Reduction of Paper and Plastic on Campus

Training Workshop on Administration Rules / Policies of the Universities

Training Workshop on Recycling Program for University Waste

Departmental Activities

Training & CPD Activity on Design of Solar Pumping Unit for Precision Surface Irrigation

Dr Muhammad Ashraf (Assistant Professor, Department of Agricultural Engineering, KFUEIT) was the moderator of the program. The program was conducted in campus and also proceeded online via zoom platform. Program was started with the recitation of Holy Quran. The welcome note was given by Prof. Dr. M. Asghar Hasmi, (Dean KFUEIT RYK) and opening remarks by Dr. Mohsin Hafeez (Country Representative, IWMI, Pakistan). Afterwards, Dr. Azeem Shah (Senior Regional Researcher, IWMI Pakistan) gave a brief introduction about International Water Management Institute (IWMI) Pakistan.

Our Resource Person Dr. Arif Anwar (Principal Researcher, IWMI Pakistan) comprehensively describe about the Precision Surface Irrigation to our participants. While, our other resource person Engr. Muhammad Nasir Jamal (CEO and Director, Rabail Technologies) gave a very detailed presentation about the solar water pumping design and installation i.e pump selection and PV system design. In the end, thanks notes were given by the Dr. Muhammad Mohsin Waqas (HoD Department of Agricultural Engineering, KFUEIT) and closing remarks by the Dr. Yasir Niaz (Assistant Professor, Department of Agricultural Engineering, KFUEIT). At last, shields were presented to our distinguished guests and certificates were distributed among the participants.

Webinaron Atmospheric Correction of Optical remote sensing data (ORSD): SREM vs 6SV

International Lecture was conducted by the Department of Agricultural Engineering on January 26, 2021 regarding "Atmospheric Correction of Optical remote sensing data (ORSD): SREM vs 6SV". Lecture was delivered by Dr. Muhammad Bilal, Distinguish Professor from Nanjing University of Science and Technology, China. Event was organized for the students of Agricultural Engineering and Civil Engineering Departments. Dr. Muhammad Mohsin Waqas was organizer pf the conference.

Webinar on "Honey Bee Economics – A pathway to poverty alleviation and youth Entrepreneurship"

International Lecture was conducted by the Department of Agricultural Engineering on June 2, 2021 regarding "Honey Bee Economics – A pathway to poverty alleviation and youth Entrepreneurship". Guest speaker was Dr. Hussain Ali, organized by Dr. Muhammad Waqar.

PEC Interim Visit

Department of Chemical Engineering successfully conducted Pakistan Engineering Council (PEC) Interim visit on 12th March 2021 for BS Chemical Engineering program. Engr. Dr. Asif Ali Qaiser praised the building structure and lab facilities. The honorable worthy Vice Chancellor, Prof. Dr. Engr. M Suleman Tahir welcomed the PEC team members and assured them about future mission and prospects of KFUEIT as a whole and Department of Chemical Engineering in particular.

Zero Visit

A National Technology Council (NTC) team visited KFUEIT for the Zero Visit of Mechanical Engineering Technology program & Civil Engineering Technology program

Process Safety & loss Prevention via Inherently Safer Design (ISD

Department of Chemical Engineering organized a live webinar "Process Safety & loss Prevention via Inherently Safer Design (ISD)" on 25th March 2021. The honorable guest speaker Dr. Mardhati Zainal Abidin currently working in Chemical Engineering Department, Manipal International University, Malaysia emphasized about the importance of inherently safer design which ultimately prolongs the safer operation of industrial equipment. The patron in chief Prof. Dr. Engr. Muhammad Suleman Tahir, Vice Chancellor KFUEIT, shared valuable views about the inherently safer designs and their efficacy in preventing the accidents in chemical process industry.

2nd Annual Flower Exhibition

Department of Humanities and Social Science organized KFUEIT 2nd Annual Flower Show in collaboration with Horticulture Department and KFUEIT Green Society dated on 23 Feb 2021. Chairman PHEC Prof. Dr. Fazal Ahmad Khalid inaugurated the KFUEIT 2nd Annual Flower show along with vice chancellors of universities in Punjab. Prof. Dr. Mansoor Akbar Kundi VC BZU Multan, Prof. Dr. Asif Ali VC MNS-UAM Multan, Engr. Prof. Dr. Amir Ijaz VC MNS-UET Multan, Prof. Dr. Ishtiaq Ahmad VC University of Sargodha, Prof. Dr. Muhammad Tufail (TI) VC Ghazi University, Prof. Dr. Saiqa Imtiaz Asif VC GSCWU, Prof. Dr. Muhammad Sajjad Khan VC CUVAS, Prof. Dr. Mahmood Saleem VC MCKRUT and Prof. Dr. Muhammad Suleman Tahir VC KFUEIT were also there.

Seminar on Art and its Importance

Department of Humanities and Social Sciences organized a seminar for students of BS Fine Arts and BS textile design on 'Art and its Importance'. The guest speaker was renowned Pakistani Artist Chitra Pareetam (TI) dated on 6 April, 2021.

Head of department Dr. Samina Sarwat welcomed the honourable guests. In his speech, guest speaker Mr. Chitra Pareetam said that art is an effort to explore one's self. It is an impression of inner world of the artist. He advised students to work hard and practice to get perfection. Renowned column writer Ch. Akmal Shahid Kang, Editor Akhbar e Akbar Muzzamil Iqbal, DSP Punjab Police Mr. Javed Akhtar Jatoi, column writer & poet Mr. Razish Liaqatpuri, Mr. Majid Rashid, Dr. Abdul Qayyum and Mr. Muhammad Anwar Farooq were also there. In the end Mr. Chitra Preetem and Ch. Akmal Shahid Kang presented their books to Dr. Samina Sarwat and Mr. M. Anwar Farooq

Seminar on Legal Awareness of Human Rights in Pakistan

Department of Humanities & Social Sciences organized a Seminar "Legal Awareness of Human Rights in Pakistan" dated on 27th January 2021 in Civil Auditorium. Sardar Falak Sher Khan Gopang and Sardar Abdul Basit Khan were guest speakers. Dean of all faculties Prof. Dr. Asghar Hashmi, HoD humanities and social sciences Dr. Samina Sarwat, Dr. Ajmal Bhatti Principal Govt. Khwaja Fareed Post Graduate College, Dr. Farhan Chughtai, Dr. Abdul Quyaum, Dr. Naeemullah, Ms. Azra Qadir and Mr. Shehzad Atiq were also present there.

Kashmir Solidarity Walk

On Kashmir solidarity day, Department of Humanities and Social Sciences organized a speech competition dated on 5 Feb 2021. Muhammad Muneeb Ullah got first position, Sara Shahzad got 2nd position and Hassan Mehmood got 3rd position. In the end, head of department Dr. Samina Sarwat gave certificate to the winner students. In her speech, she congratulated the winner students and appreciated the efforts of organizers especially Mr. Majid Rashid and Mr. Waheed Shehzad. Dr. Jam Muhammad Zafar, Dr. Muhammad Imran, Dr. Qayyum and other faculty members were also there.

Webinar on Food Adulteration Scenario in Pakistan

Department of Food Science and Technology, KFUEIT organised a valuable session on "Food Adulteration Scenario in Pakistan"

With *Mr. Mohsin Bhatti*

Food Correspondent and Expert, GNN media group appreciated the efforts of Prof. Dr. Suleman Tahir, WVC, KFUEIT-RYK for arranging such informative webinars for students and general public.

Prof. Asghar Hashmi, Registrar, Dean of All Faculties, Dr. Farhan Chughtai, HoD, Food Science and Technology, Dr. Adnan Khaliq and all faculty members were present.

Awareness Walk on World Food Safety Day

On the directions of Vice Chancellor, an awareness walk on the eve of World Food Safety Day was led by Registrar KFUEIT Prof Dr Muhammad Asghar Hashmi. On this day, lets make a commitment to play our role for Safe Food. Food Safety is a shared Responsibility, which we need to share and ensure for safe food," Registrar KFUEIT said, while addressing an awareness walk organized by Department of Food Science and Technology

World Environment Day

Participation in Discovery Camp

A special team comprising of four people including Sports Officers of KFUEIT is participating in Discovery Camp pertaining to the Scouts of the World Award in Islamabad. Under dynamic vision of Vice Chancellor, KFUEIT is already contributing to SGDs to establish safer environment and preserving national heritage in RYK

Voice of KFUEIT —— Departmental Activities

Free Medical Camp for Community

Meeting with Faculty Members

Vice Chancellor, is addressing Faculty Members of Khwaja Fareed University of Engineering & Information Technology in civil auditorium. He appreciated the teachers and Researchers for taking lead in submission of record 106 NRPUs in HEC. He advised the admin to always facilitate faculty besides asking teachers to guide & harness technical skills and build learning habits of students

Obe Departmental Training Voice of KFUEIT —— Departmental Activities

PEC Accreditation

PEC accreditation officials visited Mechanical Engineering Department of KFUEIT and examined various functions of the department.

KFUEIT, Sheikh Zayed Hospital discusses possibilities to collaborate in Academics, Services and Research.

KFUEIT, Sheikh Zayed Hospital discuss possibilities to collaborate in Academics, Services and Research. Rahim Yar Khan: A meeting was held on Tuesday between Officials of Sheikh Zayed Hospital Rahim Yar Khan and Khwaja Fareed University of Engineering and Information Technology Rahim Yar Khan to discuss different matters pertaining to medical education in the region. Vice Chancellor KFUEIT along with Dr. Ahmad Bilal Arif, Head Department of Health Sciences and Dr. Makhdoom Basharat Hussain Hashmi Assistant Professor Department of Health Sciences received the distinguished guest Dr. Agha Tauheed Ahmad Khan Medical Superintendent Sheikh Zayed Hospital Rahim Yar Khan and discussed the possibilities to collaborate in terms of Academia, Services and Research. During the meeting, the two sides discussed matters of mutual interest, while the panel also raised important issues regarding undergraduate and postgraduate medical education in the region. The Vice Chancellor offered full cooperation to provide recognition to sheikh Zayed hospital and medical college for clinical and non-clinical Post graduate programs for the uplifting of level of skills and expertise of Healthcare Professionals of the region. He added that this collaboration will not only fulfil the requirements of both the institutions but will also benefit the local public. Dr. Agha assured to furnish the requisition of the Department of Health Sciences to accommodate the students for Clinical Placement at Sheikh Zayed Hospital. He also requested the University to assist the hospital in installation of Information Technology applications to uplift the health service delivery system at the Hospital. We will go the extra mile to overcome these challenges of the healthcare industry, agreed by the Officials.

Voice of KFUEIT —— Departmental Activities

Pakistan Enineering Council Officials visited KFUEIT

Pakistan Engineering Council Officials visited Electrical Department of KFUEIT Rahim Yar Khan & analysed various functions. They called on Vice Chancellor who presented them shields.

4th Annual Book Fair

KFUEIT 4th Annual Book Fair and prize distribution ceremony of 2nd Annual Book Fair was organized jointly by KFUEIT central library and Department of Humanities and Social Sciences respectively. Vice Chancellor GSCWU Prof. Dr. Saiqa Imtiaz Asif and Vice chancellor graced the occasion as chief guest. Department of Humanities and Social Sciences got first position, Department of Management Sciences got 2nd Position, Department of Chemistry & Department of Bio Sciences got 3rd position and Department of Chemical Engineering got 4th position in Annual Flower Show. The department heads received shields from the chief guests. In the ceremony, organizers of book fair was also awarded with certificates. Prof. Dr. Saiqa Imtiaz Asif appreciated the efforts of organizing team and congratulated the Prof. Dr. Suleman Tahir on successful conduction of vice chancellor's conference, flower show and book fair. In the end, Prof. Dr. Suleman Tahir thanked the Prof. Dr. Saiqa Imtiaz Asif. Dean of all faculties Prof. Dr. Asghar Hashmi, Dr. Nadeem Salamat, Dr. Samina Sarwat, Dr. Shahid Habib, Dr. Khalil, Dr. Ahmad Sohaib, M. Anwar Farooq and all heads of department were also there.

Voice of KFUEIT —— Departmental Activities

Annual Project Exhibition 2021

KFUEIT, Technical Society organized annual project Exhibition 2021. Chairman PHEC Prof. Dr. Fazal Ahmad Khalid inaugurated the exhibition along with vice chancellors of universities in Punjab. Prof. Dr. Mansoor Akbar Kundi VC BZU Multan, Prof. Dr. Asif Ali VC MNS-UAM Multan, Engr. Prof. Dr. Amir Ijaz VC MNS-UET Multan, Prof. Dr. Ishtiaq Ahmad VC University of Sargodha, Prof. Dr. Muhammad Tufail (TI) VC Ghazi University, Prof. Dr. Saiqa Imtiaz Asif VC GSCWU, Prof. Dr. Muhammad Sajjad Khan VC CUVAS, Prof. Dr. Mahmood Saleem VC MCKRUT and Prof. Dr. Muhammad Suleman Tahir VC KFUEIT were also there.

M.Phil Urdu Degree Program Ceremony

The Vice Chancellor, while addressing to a seminar of M.Phil Urdu, said the students of Urdu literature can flourish a culture of sufism and poetry here at Khawaja Fareed University. He said students can also contribute into an existing body of literature by producing books on prose and poetry and even by translating books of engineering in Urdu. Chairman Urdu Department Prof Dr Zahid Akhtar Shaheen thanked the Vice Chancellor on initiating M.Phil Program of Urdu. Students also read poetry of Ghalib, Khawaja Fareed, Allama Iqbal and Ahmad Faraz

Project Demonstration & Evaluation

Product Development and Commercialization

Department of Chemical Engineering faculty members following the vision of worthy Vice Chancellor, of "Product Development and Commercialization" indigenously developed chemical products (Bottled Mineral water, Hand Sanitizer, Hand Wash, Dish wash, and White phenyl). The product commercialization initiative was highly appraised by honorable Minister of Education-Punjab, Mr. Raja Yasir Humayun. Indigenous product development is need of hour and it will contribute positively toward economic and cultural change.

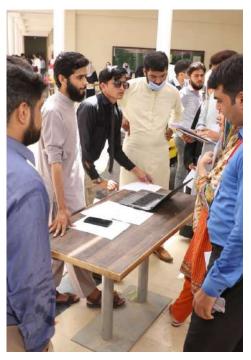

Project Exhibition of Physics Department

Exhibition of tangible projects/ prototypes is the representation of creative minds of the students. In building a prototype, the students use their best technical skills and basic knowledge of their subjects. As per directions of the Government about provision of technical skills and according to the vision of the Worthy Vice Chancellor, Department of Physics, KFUEIT, has organized an exhibition of the projects prepared by its final semester undergrad students under the kind supervision of the respected Head of Physics Department. Such exhibition is conducted for the first time in the history of department.

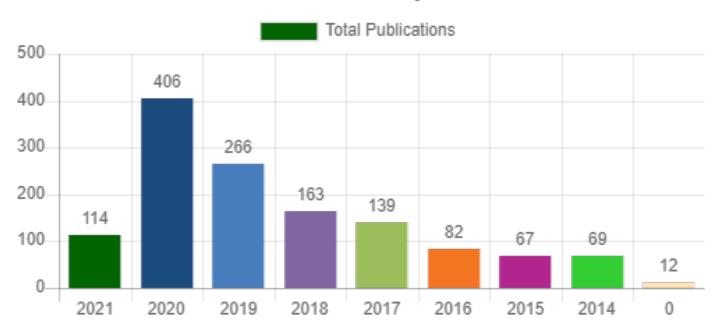

1st Business Plan Competition (BPC)

Upon direction of the Vice Chancellor, Registrar University Prof Dr Asghar Hashmi inaugurated 1st Business Plan Competition (BPC) organized by the Business Incubation Center at KFUEIT on Tuesday. Over 210 groups and 450 students are participating in this competition. The Registrar said on this occasion that such competitions would harness professional skills of the students and researchers. He said we shall provide financial assistance to students and sitting place in KFUEIT so that the selected students could materialize their business ideas. The students participating in this competition also thanked the vice chancellor for understanding their needs, and providing them assistance in making their dreams come true.

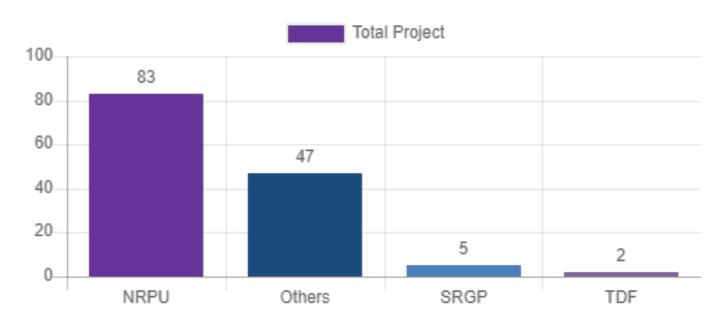

Earlier, groups and students presented their business ideas ranging from production of different breeds, seeds, and other agriculture products, new techniques in information technology, and trends occupying the global market. The Registrar Prof Dr Asghar Hashmi appreciated the efforts, innovative ideas and straight direction of students and assured them of supervising and assisting them in future.

MoU between KFUEIT & Ghazi University Dera Ghazi Khan

The Ghazi University Dera Ghazi Khan and Khwaja Fareed University of Engineering and Information Technology (KFUEIT) join hands to collaborate in the field of science and technology. Prof. Dr. Muhammad Tufail (TI), Vice Chancellor Ghazi University DG Khan and Prof. Dr. Muhammad Suleman Tahir, Vice Chancellor KFUEIT signed the MoU.

MoU between KFUEIT & UHE, Lahore

A Memorandum of Understanding (MoU) has been signed by Prof. Dr. Muhammad Suleman Tahir, Vice Chancellor Khwaja Fareed University of Engineering and Information Technology (KFUEIT) Rahim Yar Khan and Prof. Dr. Kanwal Ameen, Vice Chancellor

University of Home Economics at University of Home Economics, Lahore.

The purpose of this MoU is to develop formal linkage between KFUEIT and UHE which is vital to boost research and technical cooperation in all field of food science and technology within the country and to bring benefit to both sides by sharing resources wherever possible.

Vice Chancellor Prof. Dr. Kanwal Ameen also presented a ceramics souvenir to VC KFUIT Prof Dr Suleman Tahir. The Additional Registrar UHE Ms. Rozina Sadiq and Director Linkages Dr. Nazma Malik were also present on this occasion.

MoU between KFUEIT and DIYA Pakistan

An MoU was signed between KFUEIT and DIYA Pakistan. Prof Dr Muhammad Suleman Tahir Vice Chancellor KFUEIT and Brig (R) Aftab Ahmed President DIYA Pakistan signed this agreement on Behalf of KFUEIT and DIYA Respectively. In this agreement DIYA will provide 100 Scholarships for BS and MS Students each year. Brig (R) Aftab Ahmad briefed that DIYA mission has always been to help the needy and talented students throughout the country, especially those from underdeveloped areas. The vice chancellor KFUEIT Dr Muhammad Suleman Tahir on this occasion appreciated DIYA and stated

that this scholarship will be very helpful for the needy and talented students of KFUEIT. He also appreciated the efforts of Director Scholarships Dr Muhammad Aslam Khan and his team. Brig (R) Iftikhar Hussain Shah Vice President DIYA Pakistan and Muhammad Waseem Manager DIYA Pakistan were also present there.

MoU regarding declaration of Smoke & Drug Free Campus

Voice of KFUEIT —— External & Industrial Linkages

MoU between IMF TU Bergakademie Freiberg and KFUEIT, Rahim Yar Khan

Recently an MoU was signed between IMF TU Bergakademie Freiberg and KFUEIT, Rahim Yar Khan, Pakistan.

As part of the mutual agreement, Mr. Umar has joined the IMF as a guest scientist for three months starting from 1st of May, 2021. He is a Mechanical Engineer and recently has developed a strong profile in computational material science. During his stay at the IMF, he will be working on developing sophisticated microstructurally informed simulation models for understanding the formability of particle-based metal matrix composites. This work is a part of an ongoing project which will lead to sustainable and efficient use of material resources and help improve forming technologies.

MOU between KFUEIT-RYK and Reeds Pakistan

Worthy Vice Chancellor have a great concern to implement the Billion Tree Honey Initiative launched by Prime Minister of Pakistan Imran Khan to promoting tree plantation and honey production in the country under Ten Billion Tree Tsunami Program. Billion Tree Honey Initiative will also help improve the environment, enhance exports, and create job opportunities for the youth and will benefit the local population of areas, where these forests will be grown. By seeing the importance of this project, WVC Prof. Dr. Muhammad Suleman Tahir directed to the Department of Agricultural Engineering to initiate this project at KFUEIT and

it was formally inaugurated and Signed MoU with the collaboration of REEDS and KFUEIT at 1st April 2021 at KFUEIT. Dr. Habib Ali (Lecturer, Department of Agricultural Engineering) KFUEIT leads this initiative from Agriculture Engineering Department under the guidelines of HoD Eng. Dr. Muhammad Mohsin Waqas. Dr. Habib Ali is also performing the duties of the Incharge Agriculture Research Farm and leading researcher in the aforementioned project as described in MoU. Moreover, he is liaising with the REEDS official as a focal person concerned for the collaborative project activities.

MoU between KFUEIT & First Women Bank

Khwaja Fareed Univesity of Engineering and Information Technology signed a memorandum of understanding with First Women Bank on 15th February 2021. The MoU signing ceremony was hosted by the vice chancellor KFUEIT Prof. Dr. Muhammad Suleman Tahir. President and CEO of the first women bank Ms. Shahida Javed signed the MoU on the behalf of her organization. According to the MoU FWB will provide sponsorship for various events/activities organized

by KFUEIT. FWB will offer a paid internship annually to 80 students of KFUEIT. FWB will also provide loans to employees of KFUEIT at 3% less markup than the banking market. After signing the MoU, Prof. Dr. Muhammad Suleman Tahir thanked the president FWB and said that it is an effort to develop good linkages of KFUEIT with other organizations. KFUEIT already signed 22 MoUs with different reputed national and international organizations. The collaboration between FWB and KFUEIT will bring a good change for students as well as for organizations.

Student Achivements

Participation in Asia Youth International Model United Nations "AYIMUN 2021" Virtual conference

Miss Momina Mirza from Department of Food Science & Technology participated in Asia Youth International Model United Nations "AYIMUN 2021" Virtual conference.

She was allotted with United Nations World Tourism Organization (UNWTO) council and represented Iraq . She wrote a position paper on "Ensuring the responsible recovery of tourism in Post-Covid World".

"I am thankful to Worthy Vice chancellor, The whole team of Directorate of Students Affaires and The Department of Food Science & Technology for sponsoring me and putting their trust in me to be a representative of Pakistan in this conference" She said.

Khwaja Fareed Debates and Competition Society is looking forward for the grooming of KFUEIT students.

Certificate of Acceptance in a Sensors journal

Congratulations to MS Computer Engineering student, Maheen Zulfiqar, for acceptance of her work "Hyperspectral Imaging for Bloodstain Identification to Reconstruct Crime Scene", in Sensors journal (Impact Factor 3.275).

With this project KFUEIT can help law enforcing agencies to analyze blood samples at crime scene, to classify human blood samples from non human blood and other related substances using Hyperspectral Imaging. This research is being further extended to study the age of blood samples, to track crime scene timelines.

This project was conducted under supervision of Engr. Dr. Ahmed Sohaib and Dr. Muhammad Ahmad in Advanced Image Processing Research Lab (AIPRL) at Department of Computer Engineering.

Voice of KFUEIT —— Students Achievements

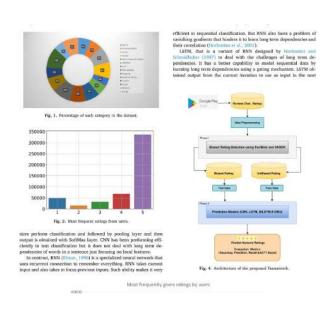

KFUEIT Student's research article has been accepted for publication in the IEEE Internet of Things Journal

Department of Computer Science, KFUEIT is proudly announcing another accomplishment of its brilliant graduates. Muhammad Umer and Saima Sadiq are currently pursuing Ph.D. degree in Computer Science in KFUEIT. Muhammad Umer is a gold-medalist in BSCS and a silver medalist in his MSCS. He brings multiple national and international level awards to department of Computer Science and the prominent one is the success of Microsoft Imagine Cup 2019. He is also working as a Research Associate at Fareed Computing Research Center.

In short period of time Muhammad Umer got multiple SCI-E impact factor publications in IEEE Transactions of Industrial Informatics, IEEE ACCESS, PLoS One, Ambient Intelligence, and Wiley journals. Their research article entitled "The Role of Internet of Things to Control the Outbreak of COVID-19 Pandemic" has been accepted for publication in the IEEE Internet of Things Journal with 11.75 5-year Impact factor, 0.2268 Eigenfactor, 17.66 Impact Score and SCIE-indexing (https://ieee-iotj.org/). IEEE IoT is ranked in the top 10 journals in Electrical and Electronic Engineering by Journal Impact Factor and in Telecommunications by Article Influence Score.

This research provides a road-map by highlighting the IoT applications that can help to control the COVID-19 pandemic.

Fareed Computing Research Centre (FCRC)

Under the dynamic vision of Vice Chancellor KFUEIT, for the promotion of research culture, Fareed Computing Research Centre (FCRC) is one of the active & leading researchers' group at KFUEIT. A research center is a facility for advanced interdisciplinary research, and to provide broad support for research activities to solve problems. FCRC in the Department of Computer Science & IT at Khwaja Fareed University of Engineering & Information Technology is created for the purpose of promoting research activities with the collaboration of industry and academia. Recently, an article is published on April 29, 2021 in "Expert Systems with Applications" having IF 5.452.

KFUEIT Aluminipresenting his work at United Nation

Vice Chancellor KFUEIT, has congratulated KFUEIT Alumni for presenting his work at United Nation. Mr. Ahmad Toor - Alumni KFUEIT from Department of Electrical Engineering (2015–19) recently spoke at UnitedNations Headquarters in New York City, USA. Toor represented his organization's social and community work at 13th Plenary Committee Session on NGOs. Ahmad has also participated in UN proceedings back in 2018 and 2019. Ahmad being the only student from KFUEIT and Pakistan has been emerged as a young leader. KFUEIT family wish him best of luck.

Voice of KFUEIT —— Students Achievements

KFUEIT volleyball team (Boys) won in All Pakistan Inter-varisy Volleyball Championship Zone-E

Congratulations to KFUEIT family.

KFUEIT volleyball team (Boys) won its match against Superior University Lahore in All Pakistan Inter-varisy Volleyball Championship Zone-E and qualify for the final round of the championship.

KFUEIT Table Tennis Team secured third position in Championship Zone-E

KFUEIT table tennis team won the match against Cholistan University in All Pakistan Inter-University Table Tennis Championship (male) and secured the third position in Zone-E.

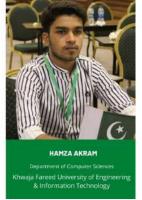

Naat, Qirat & Speech Competition Winners (Divisional Level)

KFUEIT table tennis team won the match against Cholistan University in All Pakistan Inter-University Table Tennis Championship (male) and secured the third position in Zone-E.

'Principal Candidate"

Study of U.S Institute for Student Leaders on Comparative Public Policymaking, University of Massachusetts, Amherst, USA 2020-21

KFUEIT Student in Pakistan's top 30 Student Leaders for comparative Public Policy Making in the United States

Hamza Akram, our Student from the Department of Computer Science has been privileged to get recognized as one of Pakistan's top 30 Student Leaders for comparative Public Policy Making in the United States.

He is the first-ever student of KFUEIT to be selected for this prestigious institute, which is a great achievement in itself. Hamza Akram has already represented KFUEIT at various International forums and this time he will commence his journey by the end of this year towards the U.S. This

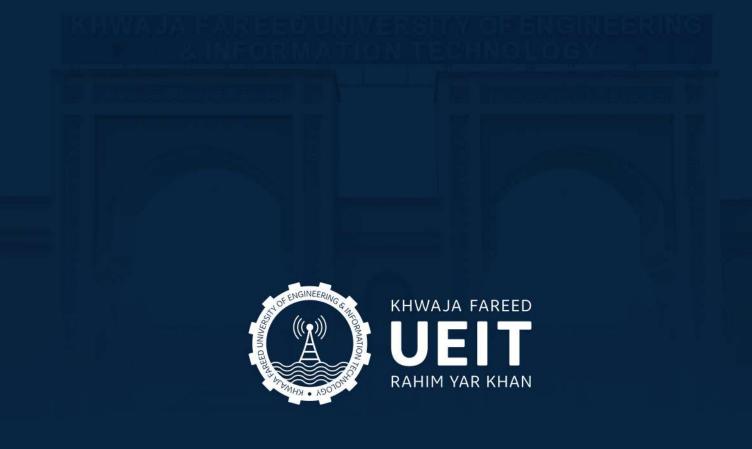

program is fully funded by the U.S. embassy and is hosted by the University of Massachusetts in Amherst, United States. We wish him the best of luck in his future endeavors!
