Signed between
Kamran Educational Foundation (KEF)
and
Khwaja Fareed University of Engineering & Information Technology

This MOU is signed on this date, the Dec 04, 2020 between the Kamran Educational Foundation (KEF), (here after referred as KEF) and the Khwaja Fareed University of Engineering & Information Technology, Rahim Yar Khan, Pakistan.

Purpose:

Through this MOU, both parties agree to enter into a partnership of cooperation to enable brilliant but financially disadvantaged students of above university by providing financial assistant/scholarships.

Responsibilities of KEF:

Allocate scholarships for deserving students of KFUEIT university and transfer the required funds to the KFUEIT university's scholarship account.
KFUEIT university will disburse the transferred amount among the selected students, as per the students list and guidelines shared by KEF head office in the USA. Once the student has received this scholarship stipend, he or she will use these funds to pay their university related expenses. KEF will not cover all expenses of the deserving students, but instead give the student fixed grant that the student must judiciously put to use.

Other Responsibilities of KEF:

Consider students recommended by the KFUEIT. Award scholarships to deserving students based on need-cum-merit in the form of $300, which is granted on a once yearly basis. Total amount against selected student will be transferred to KFUEIT in Pak Rupees Due to the high volume applications received throughout Pakistan, KEF is not able to make guarantees on the numbers of students that will be granted scholarship but will take all possible steps to accommodate as many students as possible.
