Proposed Admission Criteria for Fall-2020

BS Programs

Eligibility criteria for the undergraduate programs (16 year) will remain same as already approved as the Boards of Intermediate & Secondary Education are planning to announce the complete results based on the performance of the students on 1st year bases

1. Faculty of Engineering & Technology

a) Admission Test Requirements

Admission test will be required for all BS programs of all departments except:

- All programs of Food Science & Technology department
- BS Software Engineering Department of Computer Engineering
- BS Environmental Sciences Department of Chemical Engineering
- BS Agriculture Department of Agriculture Engineering

b) Merit Calculation

i. For Engineering & Engineering Technology programs

- 30% Admission test, 25 % Matric, 45% FSc 1st year

ii. For all other programs in the faculty of Engineering & Technology
- 40% Matric, 60% FSc 1st Year

2. Faculty of IT & Management Sciences

a) Admission Test Requirements

- Admission test will not be required for any BS or ADP program of the Faculty

b) Merit Calculation for BS and ADP programs

- 40% Matric, 60% FSc 1st year

3. Faculty of Natural Science & Humanities

a) Admission Test Requirements

- Admission test will not be required for any BS or ADP program of the Faculty except LAW

b) Merit Calculation
- 40% Matric, 60% FSc (For all BS programs except Law)
- 30% LAT test, 25% Matric, 45% FSc 1st year (For LAW)

MSc Programs

Applicants having minimum 45% marks in Bachelor (14 year) annual system on Part - I or ADP/ADS (14 year) semester system on aggregate of 1st to 3rd semester result can apply for admission.

- **Merit determination:**

  40% FSc, 60% Bachelor

General Note:

- Matric and FSc means all equivalent programs to these levels e.g. A level, O level etc
- Merit determination will be made on FSc 1st Year based results or on the aggregate of 1st year and 2nd year in case of three years diploma of associate engineering.
- Merit determination will be made on BSc 1st Year based results or on the aggregate of 1st to 3rd Semester in case of semester system.

- It will be the student's responsibility to fulfill the minimum marks requirement laid down by the academic council of the University for the Admission in particular programs upon completion of the 14 year degree.

- Applicant having completed their degrees and have final result in above mentioned degree programs and meet the minimum CGPA/%age mentioned above are eligible to apply although they do not have the mentioned CGPA/ %age under the conditions mentioned above.

MS Programs

Applicants having Master (16 year) annual system on Part – I, Master (16 year) semester system on aggregate of 1st to 3rd semesters and BS (16 year) semester system on aggregate of 1st to 7th semesters result can apply for admission.

Applicants are required to meet the minimum CGPA/Percentage for admission in MS/M.Phil as mentioned below.

For all MS programs of the all faculties:

- Passing GAT general or KFGAT will be mandatory. However, the score of these tests will not contribute towards merit determination. Provisional admissions without these tests will be offered in case university is unable to conduct KFGAT due to COVID-19. However, it will be a mandatory requirement to pass these tests as soon as the on campus testing facility becomes available.

- **Merit determination:**

    i. 70% BS (aggregate of first seven semesters), 30% Interview (*Skype interviews will be conducted in case on campus activity is impossible due to COVID-19*)
    ii. 40% BSc, 30% MSc (aggregate of first three semesters), 30% interview (in case of BSc and MSc)

General Note:

- It will be the student's responsibility to fulfill the minimum marks requirement laid down by the academic council of the University for the Admission in particular programs upon completion of the 16 year degree.

- Applicant having completed their degrees and have final result in above mentioned degree programs and meet the minimum CGPA/%age mentioned above are eligible to apply although they do not have the mentioned CGPA/ %age under the conditions mentioned above.

PhD Programs

For all PhD programs of all Faculties

- Passing Admission test will be mandatory. No provisional admissions will be offered in PhD programs. University can manage admission tests for PhD programs maintain social distance instructions of the government.

- **Merit determination:**

    i. 30 % BS, 40% MS, 30% Interview or
    ii. 15% BSc, 15%MSc, 40% MS, 30 Interview

Test Requirement

Faculty of Engineering & Technology	
Program	**Test Requirement**
BS Agriculture Engineering BS Chemical Engineering BS Civil Engineering BS Electrical Engineering BS Environmental Engineering BS Mechanical Engineering	E-Cat or KFEAT
BS Agriculture	Test Not Required
BS Computer Engineering	E-Cat or KFEAT
BS Chemical Engineering Technology	E-Cat or KFEAT
BS Civil Engineering Technology	E-Cat or KFEAT
BS Electronics	Test Not Required
BS Electrical Engineering Technology	E-Cat or KFEAT
BS Environmental Science	Test Not Required
BS Material Sciences	Test Not Required
BS Mechanical Engineering Technology	E-Cat or KFEAT
BS Software Engineering	Test Not Required
BS Food Science and Technology	Test Not Required
BS Human Nutrition and Dietetics	Test Not Required
BS Microbiology	Test Not Required
BS Tourism and Hospitality	Test Not Required
ADP Hotel & Restaurant Management	Test Not Required
Faculty of Information Technology & Management	
Program	**Test Requirement**
BS Computer Science BS Data Science	Test Not Required
BS Information Technology BS Cyber Security BS Telecommunications System ADP (Cyber Security) ADP (Computer Networking & Infrastructure) ADP (Database Management System) ADP (Web Design and Development)	Test Not Required
BBA BS Economics BS Public Administration	Test Not Required

Faculty of Natural Sciences & Humanities

Program	Test Requirement
BS Mathematics	Test Not Required
BS Physics	Test Not Required
BS Chemistry	Test Not Required
BS Bioinformatics	Test Not Required
BS Forensic Science	Test Not Required
BS Biochemistry	Test Not Required
BS Biotechnology	Test Not Required
BS Botany BS Zoology	Test Not Required
BS Clinical Psychology BS Cosmetology & Dermatological Sciences BS Medical Laboratory Technology BS Optometry BS Radiology BS Orthodontics & Prosthetic	Test Not Required
BS Communication Design BS Textile Design BS English BS Fine Arts BS Islamic Studies with Computer Technology BS Media & Communication BS Pakistan Studies BS Physical Education BS International Relations BS History BS Heritage Studies (Archeology) BS Political Sciences BS Urdu	a) Drawing Test (Mandatory for BS-Fine Arts, Communication Design & BS-Textile Design only) b) Physical efficiency Test (Physical Education)
LLB (5 Years)	LAT Test Required
B.Ed (Hons) 4 Years Elementary *	Test Not Required
B.Ed 1.5 Year Secondary *	Test Not Required
Program	**Test Requirement**
MSc Physics	Test Not Required
MSc Chemistry	Test Not Required
MSc Computer Science	Test Not Required
MSc Mathematics	Test Not Required
BBA (3rd Year)	Test Not Required

Test Criteria | Graduate Programs Fall 2020	
Program	**Test Requirement**
All MS/M.Phil. Programs	General GAT or KFGAT
All PhD Programs	Subject GAT or Subject KFGAT
